Traineeships

www.leadededucation.co.uk

WHAT IS A TRAINEESHIP?

Preparing you to become 'work ready'

Maths & English

Learners without a GCSE Grade 4 or C in Maths or English will **continue to study** towards these qualifications through a range of options.

Functional skills are important to **develop the knowledge** and skills to operate successfully in life, education and work.

Work Preparation

This is a **key element** of the course where you will learn how to:

- effectively prepare a CV
- teach you how to prepare and undertake job interviews
- develop teamwork skills
- enhance your confidence to get the job you want

Timetable Example

	9.30	10.30	12.30		1.30	4pm
Monday	CV/Interview skills		Flex Element	Lunch	Work Placement	Course finish
Tuesday	English	Maths	Flex Element		Outdoor Activity	
Wednesday	Work Place				Outdoor Activity	
Thursday	English	Maths	Flex Element		Outdoor Activity	
Friday						

Work Placement

Programmes with LEAD Education are based at Simonside Outdoor Adventure (Simonside) and Adventure Sunderland (Roker).

This is an exciting opportunity to work within professional outdoor centre environments gaining valuable skills, building confidence and experience a range of activities.

Flexible Element

LEAD & TVS Education will include a flexibility within the Traineeship. This will be a recognised Level 1 NCFE or BTEC qualification in Sport and will also include industry specific qualifications such as bike maintenance, First Aid and proficiency awards in sports such as rock climbing & jet skiing, kayaking and canoeing..

£100 PROGRESSION BONUS

If you progress onto a higher level qualification, employment, self-employment and take on an apprenticeship within 6 months of completing your Traineeship, we'll give you £100 to help you with the costs of this!

*Evidence of the above must be provided. Entrants must be working at least 16 hours per week and all must having either held the position for 8 weeks or studying for 8 weeks to qualify *
